

Prof. Francesco Paolucci . He received his degree in chemistry, magna cum laude, from the University of Bologna, Italy, in 1986

Since 1/12/2011 Professor of Chemistry University of Bologna.

Visiting Professor at Keio University, Japan (2015); Professeur Invité of Université de Bordeaux, France (2013);

Chercheur Invité CNRS, Bordeaux, France (2010). He is Head of the Dept. of Chemistry “Giacomo Ciamician” Univ. of Bologna and Vice-president of the International Society of Electrochemistry (2019-2021).

He is co-author of more than 190 publications in peer-reviewed International Journals and chapters in books. H-index: 45 (Scopus), 50 (Google Scholar)

His interest focuses on the electrochemistry of carbon nanostructures, fullerenes, carbon nanotubes and graphene and their exploitation in energy-related applications,
